

6th European Conference on Ecological Modelling, ECEM'07

Dear Colleagues,

We are pleased to announce that the on-line abstract submission system for the 6th European Conference on Ecological Modelling, ECEM'07, is now available at <http://www2.ogs.trieste.it/ecem07/>

WHERE: The 6th European Conference on Ecological Modelling, ECEM'07, "Challenges for ecological modelling in a changing world: Global Changes, Sustainability and Ecosystem Based Management" will be held in Trieste, Italy, on November 27-30, 2007.

THEMES: Particular attention will be devoted to themes related to Global Changes, Sustainability and Ecosystem Management. ECEM'07, however, will cover ALL topics in the area of ecological modelling and participants are invited from ALL areas of research, development and application of ecological models.

KEYNOTE SPEAKERS: Robert Costanza (USA), Philippe Cury (France), Ulf Dieckmann (Austria), Saso Dzeroski (Slovenia), Volker Grimm (Germany), Eileen Hofmann (USA), Daniel Pauly (Canada) and Sergio Rinaldi (Italy)..

DEADLINES: The abstract submission process will close on May 31, 2007. We also strongly encourage interested participants to pre-register as soon as possible at the Conference website. Pre-registration is required before abstract submission.

PAPERS: Conference papers will be reviewed by members of the scientific board for inclusion in a special issue of the journal Ecological Modelling.

WORKSHOP: Before the conference, 1.5 days will be devoted to a workshop on "Integration of biogeochemical processes and fish dynamics in food web models for end-to-end conceptualization of marine ecosystems. Theory and use of Ecopath with Ecosim", November 26-27, 2007. Details on the course and application procedure can be found on the website.

We look forward to receiving your submission for the meeting!
See you in Trieste!
