This paper records spirorbids collected from the XII and XV French Antarctic expeditions to Adelie Land between 1962 - 1964 and expeditions of the research vessel "Marion Dufresne" to the Southern Indian Ocean between 1974 - 1982. [A - Adelie Land (Pacific region of Antarctic); H - Heard Island, M&E - Marion and Prince Edward Islands; C - Crozet Islands, K - Kerguelen Islands (Southern Indian Ocean)]. The following material was identified: Paralaeospirinae: *Paralaeospira levinseni* Caullery, Mesnil, 1897 [A, H, K]; *P. patagonica* Caullery, Mesnil, 1879 [M&E, K]; *P. claparedi* Caullery, Mesnil, 1879 [M&E, C]; *P. sicula* Knight-Jones P. & E.W., 1994 [K]; *P. pseudotenius* Rzhavsky, 1997 [H]; *Crozetospira dufresnei* Rzhavsky, 1997 [C]; ? *Eulaeospira* sp. [A]. Romanchellinae: *Romanchella perrieri* Caullery, Mesnil, 1879 [C, K, M&E, H]; *R. scoresbyi* (Harris, 1969) [C]; *R. inventis* (Harris, 1969) [C, K]; *R. pustilata* Knight-Jones P. 1978 [M&E]; *R. sepicula* Rzhavsky, 1997 [C, M&E]; *Metalaeospira armiger* (Vine, 1977) [A]; *Helicosiphon platyspira* Knight-Jones P., 1978 [C, K M&E]; *Protolaeospira tricostalis* (Lamarck, 1818) [K]; *P. augeneri* Vine, 1977 [M&E]; *P. triflabellis* Knight-Jones, 1973 [C]; *P. cavata* Knight-Jones P. & E.W., 1994 [A]. Pileolariinae: *Pileolaria annectans* Knight-Jones P. & E.W., 1974 [K]; *P. tegwyni* Vine, 1977 [K, C, M&E]; *Pileolaria* sp. I; *Pileolaria* sp. II; (both species are under description); *Nidificaria nidica* (Knight-Jones P., 1978) [C]; ? *N. dalestraughani* (Vine, 1972) [C]; ? *Nidificaria* sp. [K].
